***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach a calibrated digital to analog converter that comprises a main DAC that converts a first digital input code to analog output, the high order bits of the first digital input codes are applied to the address input of a memory and the low order bits are inputted into a calibrated DAC, the memory stored digital correction values and provides selected correction values to the positive and negative reference voltages of the calibrated DAC whose calibrated analog output is combined with the analog outputs of the main DAC to generate the final calibrated analog output.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Peguy JeanPierre whose telephone number is (571) 272-1803. The examiner fax phone number is (571) 273-1803.
